20% Discount Price: £35.19 (+ postage)

PRAISE FOR PREVIOUS EDITIONS

"An extremely accessible, useful and impressive collection of cases and materials"

"The extracts are expertly chosen and provide the necessary information without being too brief. The text, whilst being accessible, is also thought-provoking with a number of excellent questions posed at the end of extracts allowing the reader to consider an issue's wider implications"

"I have no hesitation in recommending *Hepple & Matthews' Tort: Cases and Materials* to anyone interested in or studying this intriguing area of law. Its advantages are two-fold: it is written in an extremely accessible and clear way and, at the same time, encourages the reader to undertake independent research and thought" *Student Law Journal*

New to Hart Publishing, this is the seventh edition of the classic casebook on tort, the first of its kind in the UK, and for many years now a bestselling and very popular text for students. This new edition retains all the features that have made it such a popular and respected text, with extensive commentary, questions and notes supplementing the selection of cases and statutes which form the core of the book. Taking a broadly contextual approach, the book addresses all the main topics in tort law, is up-to-date, doctrinally sound, stimulating and highly readable.

THE AUTHORS

David Howarth, Fellow of Clare College and Professor of Law and Public Policy, University of Cambridge.

Martin Matthews, Emeritus Fellow of University College, Oxford.

Jonathan Morgan, Fellow of Corpus Christi College and Senior Lecturer in Law, University of Cambridge.

Janet O'Sullivan, Fellow of Selwyn College and Senior Lecturer in Law, University of Cambridge.

Stelios Tofaris, Fellow of Girton College and Lecturer in Law, University of Cambridge.

THE CONSULTANT EDITOR

Sir Bob Hepple QC LLD FBA, former Master of Clare College and Emeritus Professor of Law, University of Cambridge.
